

**REMARKS/ARGUMENTS**

Favorable reconsideration and allowance of the present application are respectfully requested in view of the following remarks.

Applicants appreciate the Examiner for conducting a discussion with Applicants' representative on December 4, 2009.

Examiner objects to the amended drawings submitted on May 19, 2009 for allegedly lacking legends. Each sheet has been labeled as "Replacement Sheet" and "Annotated Sheet Showing Changes". Further, the original disclosure was amended to particularly direct the reader to the description of the figures and the elements therein. Thus, the nature of the objection is unclear to the Applicants. Applicants respectfully request a further clarification so that the issue may be resolved.

Examiner provisionally rejects claims 1, 4 and 6 on the ground of non-statutory obviousness-type double patenting as allegedly being unpatentable over claims 1, 2 and 6 of co-pending Application No. 10/584,136. Applicants respectfully request that the provisional rejection be held in abeyance until at such a time the claims of the co-pending applications are in fact allowed.

As noted above, Applicants appreciate the Examiner for conducting the interview. Based on the interview, independent claims 1, 6 and 12 are amended. As discussed, the combinations of features in independent claims as amended distinguish over the applied references of record. Therefore, claims 1, 6 and 12 and the claims dependent thereon are allowable over the references of record.

Further, claims 20-32 are added which also recite a combination of features that distinguish over the applied references of record. Applicants respectfully request that the new claims be allowed.

All objections and rejections raised in the Office Action having been addressed, it is respectfully submitted that the present application is in condition for allowance. Should there be any outstanding matters that need to be resolved, the Examiner is respectfully requested to contact Hyung Sohn (Reg. No. 44,346), to conduct an interview in an effort to expedite prosecution in connection with the present application.

Pursuant to 37 C.F.R. §§ 1.17 and 1.136(a), Applicants respectfully petition for a one (1) month extension of time for filing a reply in connection with the present application, and the required fee is attached hereto.

The Commissioner is authorized to charge the undersigned's deposit account #14-1140 in whatever amount is necessary for entry of these papers and the continued pendency of the captioned application.

Respectfully submitted,

**NIXON & VANDERHYE P.C.**
